## JIM COOK AND FRED VILLIERS SPOTLIGHT THE CRAVEN A FINAL

Fifteen minutes before the end of the £5000 Craven A Australia Cup final on Sunday, Bob had the winner's cheque already made out in favor of Polonia.

Just shows you how unpredictable this game of Soccer is in Victoria.

Here's keenness for you! A party of eight, in two cars, drove all the way from Adelaide on Saturday night to Melbourne for the Cup final, and when it was over they climbed into their cars and drove all the way back. The party was organised by Polonia supporter Mr Michael Jablonski, of Adelaide. Total distance by road is 960 miles and total car travelling time was 15 hours. Incidentally, the four men who made the trip with their wives all had to report for work on Monday morning.

# Chequed — by Slavia

"Don't count your chickens before they're hatched." That's a good proverb — and one that Australian Federation secretary Bob Clark will remember for a long time.

Whose bright idea was it to put Slavia and Polonia in red and white on Sunday? It was most confusing to the onlookers.

Slavia goalkeeper Ray Barotajs had a few lucky escapes. He often left his goal and missed the ball but Polonia's attack didn't take advantage of it.

Boys in blue were busy. They "booked" hundreds of Soccer fans' parked cars in Batman Avenue shortly before the start of the final.

Liberal use of the public address system was a big improvement on the previous week.

Noticed Slavia gained a few more supporters with their win. Most of them were Greek.

Stuart Beaton gave valuable pre-match publicity on HSV7 at 1.30 when he interviewed Slavia captain Johnny Sanchez in the World of Sport program.

When the rain fell after 40 minutes play we saw one of the most colorful sights this year at the Park. Hundreds of umbrellas, red, blue, yellow, orange and green, in the outer.

From eight Soccer experts only two tipped Slavia to win the Cup — Bill Fleming (Herald) and Fred Villiers (Soccer News).

Only one person was ordered off the field by the referee on Sunday. He was an over-enthusiastic Press photographer. He rushed up to snap an injured player lying on the ground and the referee gave him his marching orders.

Fitness won for Slavia. At 90 minutes the entire team were still 100 per cent fit.

Red and white ribbons hung from the Australia Cup during the final. They are Polonia's colors but they certainly didn't give the Ampol champions any luck.

Polonia could have won the Cup in extra time IF Lolly Vella hadn't missed an easy goal only two minutes after the start and IF forward Eddie Jankowski hadn't missed a header three minutes later.

There was a scream from Slavia officials when Vic Janczyk scored the first goal from a penalty following a foul on Jurecki. Then all anger turned to smiles when Des Palmer netted the winner in extra time.

Slavia's Johnny Sanchez said over the public address system after the final: "I'm not good at making speeches but I'm excited and I hope you all enjoyed the game."

"Polonia must have felt just like we did in our Australia Cup game against Slavia. We were leading minutes from the end and then bang, bang — Slavia had beaten us," said Footscray J.U.S.T. committeeman Ted Placejevic.

Thirty-three people refused to give a donation for the game. Instead they watched the final from the roof of the Velodrome.

The Hon P. L. Coleman, chairman of the Olympic Park Management Committee, presented medals to the referee and linesmen after the final.

Pressmen asked Slavia captain Johnny Sanchez to hold the Cup high for a photograph. "It's heavy," said Johnny. And it was. It weighs 50 lb.

Surprise for Bruno Smith, of Leo's Spaghetti Bar, Fitzroy Street, St. Kilda, when he arrived home on Sunday. He was told Slavia had won the Australia Cup. Leo left the Park 10 minutes before full-time because he thought Polonia were home and dry.

Nice to hear top referee Luigi Cadelli is on the mend after a serious operation in hospital.

DES PALMER

## Well played, Des Palmer

Slavia centre-forward Des Palmer, his wife and two daughters were driven to the Park by a friend. . . .

On the way in, Des' wife, Terry, said: "This is a nice day to kick a hat-trick." And that's exactly what Des did!

It was certainly Des' day. When he received the ball his experience told him just what to do with it.

Mrs Palmer also saw Des score a hat-trick for Wales in the World Cup game against East Germany in Cardiff in 1958.

But on Sunday Des had two more supporters — his young daughters, Carole and Janice.

Well played, Des!

Referee Boskovic is well versed in the laws of the game and is a whistler with great potential. He could learn a few on applying the advantage rule. He's over-technical and this affects the smooth running of the game. His decision in granting Polonia a penalty was correct. Cook appeared as if he had intended to kick Jurecki, and that's good enough if it's in the area to justify a penalty award.

Slavia's keeper Ray Barotajs said that his side's never-give-in spirit won them the game. "When we were two goals down I was really disheartened," he said. "I knew we would have to produce a super-human effort to win — but I knew that if we stuck to our task we would do it. Polonia should have learnt from our win against J.U.S.T. that you can't take Slavia for granted."

Slavia coach John Hemmerling changed his team's tactics when they were two goals down. He switched them into the long-swinging, open game in an attempt to wear Polonia out. This had the desired effect — as was seen by the puffing of Dudon, Janczyk and Jankowski.

Polonia star Mike Jurecki said: "Although we had the game in hand, two bad mistakes let Slavia in. Slavia were more consistent and they deserved to win. Our thanks go to them for a great game."

Slavia reserve Frank McColgan will return to Scotland in three weeks. He hopes to play with a non-league team in England or Scotland.

Slavia drank a toast to Richmond's Billy Copeland after their great win. It was Copeland who scored the goal in the last league game against Wilhelmina which put the Dutchmen out of fourth place and allowed Slavia to slip in.

Rumor is that Slavia's Bobby McLachlan may join Hellas. Bobby and Des Palmer have gone into the house renovating business — their address is 8 Waltham Street, Sandringham.

Polonia, one of the most sporting teams in the League, visited Slavia's dressing room after the match to congratulate the victors.

Polonia must surely be the "bridesmaids" of Soccer — they were runners-up in the State League, Dockerty Cup and Australia Cup.

# SLAVIA's THE TOP SIDE IN AUSTRALIA

Says JIM COOK

The magnificent Craven A Australia Cup plus £2500 in cash and the tag of the best Soccer side in Australia goes to Slavia — the humble and practically all-British side who, in the past, have never won a trophy or pennant of any kind.

## ★ THE STARS

Here's how Jim Cook awarded votes for players in last Sunday's Cup final replay.

In a game which produced fast, exciting Soccer, especially in the latter stages of the second half and the extra time period, the Port side pulled the game out of the fire when all seemed lost.

Slavia demonstrated that they're a team of fighting ability.

When Mike Jurecki planted a second goal in the back of the Slavia net without reply (Janczyk scored the first from a penalty) the writing looked on the wall for Slavia. But they opened the game up on the instructions of their coach and it was an "eye-opener."

Two goals in four minutes from Des Palmer, both from McCorquodale passes, put Polonia in queer street, and the Maribyrnong side were struggling until the dying second of the regulation period to prevent a further score against them.

In extra time it was clear that Slavia's youngsters, or younger players, at least, had the edge in pace and purpose, and used this to full advantage.

Polonia never looked like knocking back Palmer's winner — his third goal scored in the first period of extra time.

### SUMMING UP

Until Jurecki scored the second Polonia goal in the 61st minute, the crowd had

little to enthuse over, but then the game really sprang to life and took an amazing twist.

Peculiar aspect of Slavia's comeback was that McCorquodale and Palmer had done little of note until they gave the old "one-two".

Slavia played as a team throughout and never gave up. Polonia had three or four players who didn't pull their weight and were overconfident after their two-goal lead.

Congratulations, Slavia, and hard luck for Polonia, who have finished the season as runners-up in the State League championship, Dockerty Cup and, now, the Australia Cup.

## IN TOUCH

with FRED VILLIERS

## Up there, Billy!

● Slavia's centre-half Billy Cook rises high to head the ball clear and stem another Polonia attack.

# ... and how they won the Cup

Here is Jim Cook's minute-by-minute description of last Sunday's Craven A Australia Cup final replay: —

2 mins. — Left-winger McCorquodale (Slavia) beat Janczyk and Szepeanski in a tricky run down the left wing and floated a lob over to waiting centre, Palmer. The Welshman, caught unawares, screwed the ball over the woodwork.

3 mins. — In a Polonia attack, Zientara collected the ball in mid-field. He ran on for about 15 yards then let loose a screamer, head high, which Barotais did well to save. Slavia, in the opening session, were neglecting their right wing and many of the balls from the wing halves were going to the left. McCorquodale was dangerous when he slipped a great cross to McDonagh. Grass cleared off the inside man's toe in the Polonia penalty area.

6 mins. — Sanchez nearly booted in a tackle on Jurecki and the quick-thinking centre had bad luck when Cook intercepted at the last minute.

11 mins. — Dudon saved a dangerous situation when he cleared the ball off McDonagh's head from three yards outside the Polonia goal-line. Slavia in this opening 15 minutes were on top and were playing well as a combination.

16 mins. — A let-off for Slavia. Janczyk took a free from the half-way line. Barotais dropped the ball at Jankowski's feet but recovered to clear.

19 mins. — Cook impeded Jurecki and although he

didn't appear to kick the centre, the intention looked likely and referee Boskovic quite rightly awarded a penalty. Vic Janczyk, the penalty expert of Victorian Soccer, made no mistake from the kick to put Polonia in the lead.

22 mins. — Polonia were now on top and looked much more impressive and workmanlike than their opponents and left-winger Katolik was prominent with some sweeping crosses.

22 mins. — In a Slavia break-away, Harper sent a screamer over the bar and this signalled Slavia's return into the game. Janczyk was playing well for Polonia and did some great forcing work to keep his forwards going.

34 mins. — Referee Boskovic erred in pulling Jankowski up for offside when Sanchez played the Polonia player. "on". Defences were tying up the forwards of both sides and shortly before half-time play was mostly centred in mid-field.

HALF-TIME: POLONIA 1 (Janczyk pen.), SLAVIA 0.

40 mins. — Good work by McMeehan and Harper brought Slavia into action

early. Szygalski was lucky to survive a tackle with McMeehan without being penalised for pushing.

61 mins. — Polonia go wild with delight and score a second goal. Jurecki out-paced Sanchez on the right side — halfway between the corner flag and the Slavia goal. The clever centre bored in an goal and from an acute angle sent a low trickling shot into the net to put Polonia in a commanding position.

## FIRST OF THE THREE . . .

72 mins. — A great cross pass by Auchie to McCorquodale saw the left-winger beat Szepeanski and then muff his final shot.

81 mins. — Slavia reduced the lead with a great goal. Left-winger McCorquodale beat three Polonia defenders in a few yards then floated a perfect cross to Palmer. The waiting centre connected with a good header to beat Putkowski all the way.

85 mins. — Slavia opened up and were on top. It was McCorquodale again who set it up for Palmer to equalise. The centre glided the ball into the Polonia net amidst great excitement

and the prospect of extra time. Slavia pressed until the end of the 90-minute period and Sanchez and McCorquodale both came close to getting the winner in the late stage.

FULL TIME: POLONIA 2, (Janczyk pen., Jurecki), SLAVIA 2 (Palmer 2).

### EXTRA TIME PERIOD

In the first five minutes Polonia could have been two goals up. First Lolly Vella, and then Jankowski missed chances which looked easy.

Slavia playing a wide open game outpaced and outmanoeuvred a tired Polonia which carried quite a few passengers and lost much of their earlier spirit.

It looked Slavia all the way and near the end of the first 15 minutes they went to the front for the first time.

Palmer mesmerised the Polonia defence with a back turn and a body swerve and with easy footwork went on to beat Grass and plant the ball in the net to put Slavia in a strong position.

In the second period, Slavia continued to dominate and when the final whistle blew they had scored a surprise but well merited and deserved win to take the title as the number one Soccer club in Australia.

RESULT AFTER EXTRA TIME: POLONIA 2 (Janczyk pen., Jurecki), SLAVIA 3 (Palmer 3).

## Hey, wake up! It's time for Soccer! AND IT WAS ONLY 5 A.M.

These under-8's and under-10's, playing in summer competitions at Collingwood and Sunshine, are really keen.

Last Saturday, Ardeer junior secretary John Klemicki was awakened at 5 a.m. by three eight-year-olds.

"What's the matter," he blinked at them. "Nothing," replied the boys. "We just didn't want you to forget that the Soccer's on today!" Match commenced at 9 a.m.!

At Alphington, the Saturday before last, the first under-8 competition ever in Victoria kicked off. The ground was wet and muddy from overnight rain. The brand of Soccer was keen, but very unscientific. Once in the middle of the ground a huge pack of players pounced on the ball.

Boys piled upon boys, and by the time the referee broke it up there were 10, all struggling and arguing for the ball.

Referee pulled all the boys apart, and there, crouched in the mud, with his arms and legs locked around the ball, was the smallest player on the ground — a 5½-year-old.

Referee told him he couldn't handle the ball like that. The little fella's mud-stained face peered up — and then and there he started to argue with the referee's decision.

Referee, trying terribly hard to keep a straight face, was down on his knees, waving an admonishing finger at the small boy.

Leo Gardner, who organised the competition, said it was the funniest thing he has ever seen.

Appears Mr Gardner caters for every sport at his youth club . . . boxing, basketball, volleyball, gymnastics, Aussie Rules, Soccer, table tennis, billiards, badminton, darts . . . the lot. "You name it — we've got it," is Mr Gardner's motto.

Leo, incidentally, is secretary of the Collingwood Citizens' and Police Youth Club.

He tells the story of when a scratch Collingwood team from his youth club played another team in a friendly.

Chap came along and began barracking strongly for the Collingwood side. Thought they were the Collingwood Eagles team — and he had tipped them on a Pools card!

Bayswater secretary H. Petrick says his club has not decided what they'll do for season '64. Last week we reported that they would probably not be strong enough to stay in the First Division and may drop down into the Second. We understand the Bayswater committee will discuss the matter and decide later.

Lions have re-elected Mr K. Schafheutle (president) and Mrs Ruth Feiler (secretary) for season '64.

Have you seen the Scottish Soccer on ABV2 on Friday nights and Saturday afternoons? You haven't? Well, believe me, you're missing something.

Met Ron Mitchell, a former Queensland Association secretary, in Brisbane, last week. Wishes to be remembered to Des Hamilton, Charles Dodd, Dr Charles Walker and Kurt De Fris.

John Pierce claimed in last week's Truth that Footscray J.U.S.T. had a record of having only one player sent off in two years. Hakoah claims one better. Hakoah publicity officer Edna Baylch says they have had only one player sent off in FIVE years—Terry Hartley. And Bobby Adams was sent off last year, making two in seven years. "Who can beat this?" asks Edna.

How stiff can you be? At the Wilhelmina junior presentation night recently, former player Mike de Bruyckere bought a bundle of raffle tickets.

Four times Mike was one off the winning number. The fifth time he clicked, and won a Soccer ball — which he generously handed back to be raffled again.

● ABOVE: Slavia keeper Ray Barotajs palms the ball away from Polonia inside-forward Eddie Jankowski in a desperate battle to keep his goal intact. Ray played a great game to keep the dangerous Polonia forward line at bay, but Eddie could not find his feet and his usually dangerous forward thrusts were sadly missed on the Polonia forward line.

● RIGHT: A kiss for the victors. And who better to give it than Miss Slavia herself, Bianca Drda, 19, receptionist, of Frankston? Here she is kissing Slavia captain Johnny Sanchez. Others in the picture are, from left: Billy Cook, Des Palmer, Tom Harper and Pat McDonagh.

● ABOVE: First goal of the match, a penalty to Polonia, crashes into the net despite a valiant leap by Slavia goalkeeper Ray Barotajs.

The penalty came after Polonia's ace centre-forward Mike Jurecki was fouled. Captain Vic Janczyk, perhaps the deadliest penalty goalscorer in the game, took the kick and placed the ball right into the corner of the net, only inches from the upright post.

● RIGHT: Des Palmer leaps for joy after he had scored the winning goal for Slavia.

It was a hat-trick for Des, and even supporters of Polonia rose to applaud this great effort by the former Welsh International.

Des, incidentally, notched a hat-trick for Wales in an International match against East Germany in 1958.

# TOP COACH This was close! GOES HOME

— But he'll be back

SYDNEY, Wednesday. — Two of our top Soccer personalities, Jim Kelly and Walter Tamandl, returned home this week.

But they both will be coming back.

Kelly has returned to England to pick up his wife and baby son Damon and bring them back to Australia.

While he is there Kelly will recruit several top-class players for his club, South Coast.

He also will spend some time in Europe.

Kelly hopes to stay in Madrid for a fortnight studying the latest training methods and systems employed by the world-famous Real Madrid club.

He also plans to attend a coaching school in Cologne.

## Surprise, surprise!

Three Wilhelmina personalities received the "surprise of their lives" at the club's junior presentation night at Ringwood Town Hall last week.

The three were Mr John van Hoboken, president, Ollie Norris, junior coach, and Jerry Kos, junior team manager.

The surprises were special gifts which the juniors had kept secret until the presentation night. Mr van Hoboken received an engraved mug, Ollie a fruit tray and Jerry a colored team photo.

Ollie told the youngsters to always learn and listen. "Never think you know the lot," he said. "Even Stanley Matthews admits he is still learning."

Ollie has done a remarkable job with the Wilhelmina juniors, as their record of championship and cup wins shows.

The boys received their awards from Mr Harry Dockerty, Mr Dick Harvey, Mr Don Joiner and Mr Jim Usher.

West Germany.

So you can get some idea of just how determined Kelly is to make a success of his new position of captain-coach of the Australian team next year.

Tamandl has had remarkable success in coaching Prague to win the Sydney minor premiership, although at 26 he is younger than most of his players.

He has gone back to Vienna in the hope that an operation on his injured ankle by a famous surgeon, Dr Jelinek, will enable him to play again.

Tamandl could gain a place in the Australian team if he recaptured his old form.

He was good enough to captain the Under-23 international team of Austria before coming to Australia.

## UNDER-16 TOUR OFF

The New South Wales under-16 State side will not visit Melbourne as expected on November 8.

The tour was cancelled in a telegram to Junior Federation secretary Don Joiner late last week.

Apparently NSW could not organise a team in time. They were to play our Under-16 side in matches at Schlinter Reserve, Footscray, next Saturday and Sunday.

Lolly Vella, Polonia's Maltese winger who was formerly with J.U.S.T. and George Cross, has played for both Victoria and Australia.

★

Polonia have more juniors under their wing than any other club in Victoria. Ed. Zientara and Vic Janczyk are the chief coaches.

★

With the exception of Barotajs, none of the Slavia first team has been with club two full seasons. — JIM COOK.

## President resigns

Mr C. Kobza, who was president of North Sunshine Soccer Club for four years and one of its hardest workers, has resigned.

Under-14 youngsters staged a thrilling curtain-raiser to the Crovan A Australia Cup final on Sunday. Sunshine City won their State championship match against J.U.S.T. 2-1. Here is goal-line action from the game, with the ball going out right near the net as J.U.S.T. keeper and left-half prepare for action.

Last year Victoria defeated NSW 4-3 for the Brackenbury Cup. Our State team, under coach Mike de Bruyckere, has been training hard for this year's games.

## Championships for Adelaide

The Australian Soccer Federation has decided to continue its support of the Australia-wide junior championship. Next year the competition will be held in Adelaide.

This year NSW won the competition.

## Honor for youngsters

The top Under-14 side in each section will play off for the title of State champions.

The competition will be run on a knockout basis, with J.U.S.T. (North) v Sunshine City (West) and Slavia (South) v J.U.S.T. (East).

A similar competition may also be run after Christmas for the Under-12's.

These games will be used as curtain-raiser for the overseas touring sides, Why Under-12 and Under-14's? At the request of the Australian Soccer Federation.

## NOBODY CARED ABOUT THIS SOCCER FINAL

SYDNEY, Wednesday.—Hakoah have just won a Soccer Cup competition in Sydney — but nobody cared less.

Fewer than 2000 spectators watched them score a 2-1 win over South Coast in the final.

Centre-forward Herbert Ninas made a determined comeback to score the winning goal.

He had been dropped from the Hakoah team in the previous match for failing to attend training.

There was no real interest in the series.

The players lacked spirit and the matches attracted very small crowds.

Surely Soccer officials

There are now 127 countries playing Soccer throughout the world.

# LETTERS TO THE EDITOR

SIR,—I am a Rules follower, but occasionally I go to Soccer on Sundays. I feel your code could be promoted with a little atmosphere at the Sunday games. Why not a brass band during the interval or some marching girls on parade? — **W. G. CROCKETT**, Mitchell St, Brunswick.

SIR,—The only way to improve Soccer in Victoria is to import two top officials — a world leading coach and a world-class referee. If we had two men like this here and they gave special classes, our game would improve. — **J. DUGID**, Eva St, Clayton.

SIR,—I would like to pass on to you the following letter which I have received from the secretary of the Australian Soccer Federation, Mr Bob Clark:

"SIR,—I was delighted to hear on the national radio and ultimately to read in the local Press of the success of your Ice Hockey side which defeated Lions in the Australian championships last Tuesday night.

It is pleasing, but not often realised by the Soccer fraternity generally, that the Hakoah Sporting Club should embrace many sports and that you should be rewarded accordingly by winning such a major competition. — **R. CLARK**, Secretary, Australian Soccer Federation."

—**KURT DEFRISS**, secretary Hakoah Soccer Club.

SIR,—Isn't it time the Federation, and the international body, for that matter, revised their system of points allocation? The present system is fair enough, but why not give a bonus point to teams winning by four clear goals, two points for eight goals, and so on? I feel that this would provide more attacking Soccer and cut out these drab, goalless draws. — **P. R. YOUNGMAN**, Victoria St, Box Hill.

SIR,—I think it is time the authorities allowed a few important Soccer matches to be televised. Surely, with a little co-operation other State League clubs could arrange this.

It would be all for the good of the game because it would make more people interested in Soccer. Tele-recordings are not the same. By the time they come on the screen everyone knows the result, and that knocks out much of the interest and excitement. — **A. P. BOULTON**, Kensington Rd, South Yarra.

SIR,—Could you please tell me where George Cross' home ground will be next year? Their present ground at Heidelberg is shocking from the spectators' point of view. Every time they play there it is always cold and windy, and there is no shelter. I hope they will change it soon. — **V. B. MOONEE**, Ponds.

(Once again it looks like Heidelberg, but don't be surprised if there's a move for a new ground very shortly. — **EDITOR**).

## CLIVE SEEKS A GAME HERE

SIR,—I have been reading an article on Australian football in a local paper and read that you welcome inquiries, I am certainly interested, thus the reason for my writing. I am 19 years of age and I am on the books of Swansea Town AFC, I play mostly in the Colts and "A" teams. I am learning a trade as an apprentice electrician and we are trained and coached two evenings a week and play every Saturday. Next September I will finish my trade and I hope to secure a job as a junior electrical draughtsman. I attend the local technical college once a week, where I am sitting for my ordinary National Certificate in Electrical Engineering.

I would like to know of the opportunities in Australia for Soccer and I understand the players are mostly part-timers, so what would be the chance of me finding a job and accommodation, etc.? I would be glad if you could forward me details and I hope I have not wasted your time. — **CLIVE REES**, 46 Cardigan Cres., Winch Wen, Swansea, South Wales, Great Britain.

(Any club like to answer Clive? — **EDITOR**).

SIR,—The recent game between Polonia and Prague was excellent. But I have become alarmed over the manner in which the game was organised.

The Showgrounds may be good enough to exhibit cattle, but it is certainly not good enough for Soccer.

Overhead wires and posts which constantly interrupt one's view of the game are annoying.

I tried to overcome this problem by trying to get

close to the fence in the enclosure. In this respect the police must be congratulated. The manner in which they kept the people at bay was a delight to see, and will contribute, I am sure, to keeping people away next time there is a game at the Showgrounds.

The insufficient turnstiles to cope with the large crowd was also organisation at its best.

One thing I know. The way in which the Australia Cup games and the Peru tour have been organised makes me realise the urgent necessity there is for re-organisation.

Raise the salary of the top people from £3000 to £5000 per annum if you like, but let us obtain some first-class business executives and not let amateurs run — and ruin — our game. — **J.M.**

SIR,—On Monday of last week I saw some of the best Soccer publicity I've ever seen. First on Monday afternoon, while going past the Parkroyal Motel, I saw a terrific sign for all to see saying: "Welcome to Athenia Soccer Club." Then on Monday night while watching IMT, I saw Mr Alex Barr and Mike Jurecki make a wonderful appearance. This is the kind of publicity we want to see more often. — **Mr Con. Hackias**, Lahinch St, Broadmeadows.

## Bob has keepsake from Soccer

Remember Bob Gough, the J.U.S.T. keeper of about eight years ago?

Today Bob is still carrying a memento of the game in which he broke his arm. Despite having it broken and reset and having pins inserted, it is still troublesome. It is now in a sling again.

Bob, an Englishman, came to Australia in 1952, on the same ship as Fred Hutchison, the former referee, now a Soccer reporter.

He joined Sunshine Soccer Club on the advice of an Australian Rules friend. After playing one season with Sunshine, Bob moved to J.U.S.T. and broke his arm against Box Hill.

He left J.U.S.T., spent a season with Hakoah, then returned to J.U.S.T. for two more seasons.

Bob then was a referee and often turned out for the refs. Soccer team. He is still interested in the game and would like

a coaching job with any club. He can be contacted at 15 Manchester Grove, Glenhumbly, 211-5646. — **JIM COOK**.

### BRUNSWICK UNBEATEN

Brunswick Athens, top team in Second Division Reserves, have turned in a remarkable performance this year.

They have not lost a game, have drawn one, and scored 127 goals for the season.

They finished with 43 points — nine in front of Hercules and Ajax, both with 34.

Tullamarine were another side which had a good season. They began well, but folded towards the end of the year.

For many clubs in this Division it was the first experience in Metro Soccer.

## APPEAL OPENS FOR INJURED STUDENT

University Soccer Club has launched an appeal for 20-year-old Casey Mulder, an engineering student who was badly hurt in a recent Olympic Park curtain-raiser.

Already the Federation has raised £250 towards the cost of Casey's medical expenses, which are expected to be high.

Casey has now been allowed to go home from Prince Henry's Hospital, where he will rest before returning to hospital for further operations.

Mr John van Hoboken, Wilhelmina president, has offered support to the appeal and promises a campaign in the Dutch Press.

Mr P. R. Penry-Williams, of University SC, told Soccer News that one way of raising finance would be the showing of Soccer films from Europe.

He hopes to show the 1960 European Cup final (Eintracht v Real Madrid) one night at the Carlton theatre with invitations to all Soccer clubs.

Mr Penry-Williams appeals to anyone who could loan Soccer films for the evening to contact him at the University of Melbourne, Parkville, phone 34-6513 (ext. 366). Or they could ring the president, Mr M. Toussig, at 29-7388 in the evening.

## GALA SOCCER FESTIVAL AT THE PALAIS

A gala festival of the world's best Soccer films — including the full 90 minutes of last year's World Cup — will be held at the Palais Theatre, St. Kilda, on December 3 and 4.

The films will have their Australian premiere in Sydney on November 20.

Soccer experts who have previewed the films say they are the best Soccer films ever to be shown in Australia.

Apart from the full World Cup film, Brazil v Czechoslovakia, there will be more than half an hour of British films in color.

Part of this color film will show brilliant British inside-forward Denis Law scoring a gem of a goal in the 1963 FA Cup final between Manchester United and Leicester City.

Law, master strategist of Manchester United, has been playing international football since he was 18, and it is reported that Italy is after him for a possible £200,000.

The color film will also show another British great, Jimmy Greaves, in action in the 1962 "dream" Cup final between Tottenham Hotspurs and Burnley, and again in England's 1962 World Cup team in Chile.

(Two weeks ago the roar of 100,000 people rocked Wembley Sta-

dium when Jimmy made it 2-1 for England against the Rest of the World.)

In the World Cup film you will see Brazil's famous players Gar- rincha and Didi in action.

Garrincha is acknowledged as the greatest right-wing ever (Inter Milan wants him for £300,000).

Didi, now 35, is an all-time great inside-forward. He is now a coach in Peru.

Final book plans and prices have not been announced, but details will be published in Soccer News next week.

● Brilliant British inside-forward Denis Law in action — you'll see him in a color film at the Palais on December 3 and 4.
